

KEY HOLDING SERVICE

djb properties are pleased to announce their new key holding service. If you are currently not happy with the service provided by your current key holder then check out the service we can provide.

Backed up by professional tradesmen our service can provide :-

Plumber , Heating engineer, Electrician

Cleaning services

Pool Maintenance

Garden Maintenance

Everything you need to keep your property running smoothly when you aren't here.

We can tailor a plan to suit the level of service you require.

KEYHOLDING RATES

| | | |
|----------------|-------------------|--------------------|
| Gold service | Weekly visit | 30 euros per month |
| Silver service | Fortnightly visit | 15 euros per month |
| Bronze service | Monthly visit | 10 euros per month |
| Basic service | Keyholding only | 30 euros per year |

On each visit checks will be made to ensure your property is secure, readings will be taken of electric and water meters (if accessible) in order to identify any problems. Every visit sheet will be tailored to your needs so we check the areas you want us to.

Additional visits made in order to rectify problems or to let other people access your property at your request will be charged at 10 euros call out in the first hour, then 10 euros per hour after that.

Although we hope that you won't encounter any problems, properties being what they are, there are no guarantees, so on the occasion that we have to call in the professionals to fix a problem you will be contacted beforehand so that you can authorize any work needed.

We can also provide reliable, trustworthy people to look after your garden , your pool and clean your property, including holiday rental changeovers.
